

Greenville County Bird Club Trip Report

Date: July 20, 2013

Location: Lake Conestee Nature Park

Leader: Paul Serridge

Hi birders,

Six GCBC members and a guest spent a pleasant morning at Lake Conestee Nature Park and listed 47 species.

The "bird of the day" was a female or first year male American Redstart. The warblers are starting to show up again!

Good birding,
Paul
