

Greenville County Bird Club Trip Report

Date: May 6, 2006

Location: Blue Wall Preserve, NC

Comments: Seven members of the GCBC joined trip leader Kristen Austin for a cool and windy Saturday outing at the Blue Wall Preserve. Although the conditions weren't ideal for birding we managed to see or hear 36 species. We definitely had a good time looking at butterflies, dragonflies and wildflowers. Many thanks to Kristen for leading this trip. I hope we can convince her to do another outing sometime.

Good Birding
JB Hines
